TO THE HONORABLE UNITED STATES DISTRICT COURT JUDGE:

On May 3, 2018, Plaintiff filed his motion to seal the original complaint in this matter. The purpose of filing under seal was to meet the statute of limitations deadline while allowing the VA's Office of the Inspector General and the FBI to further investigate Mr. Robertson's claims. On May 7, this Court granted the motion. Since then, Plaintiff's counsel has been in contact with the OIG investigator. The OIG investigator indicated that, at this stage, the complaint may be unsealed without affecting the ongoing investigation. Moreover, prior to filing, a copy of this motion was provided to the investigator, who stated he had no problem with it being filed.

Therefore, Plaintiff requests that his complaint be unsealed.

Prayer

Plaintiff respectfully requests the Court unseal Plaintiff's Original Complaint.

Respectfully submitted,
WILEY WALSH, P.C.
